Keeping Up - - With Uplanders

BALLOT MEASURES

Regardless of what we think about the various questions, all of us here should be appreciative of W. W. Mather and William Walk for their local discussions on the 24 measures on the Nov. 4 ballot.

Many hours are given by the men in actual platform time before audiences — and countless more hours are spent in studying the measures and in answering questions.

Most people do not go on the "spot" and tell people how they are going to vote. We urgently asked these two men for their recommendations last week. Publication of their recommendations would develop new interest in the proposals—and that is why we wanted to publish their views.

In some instances they gave no recommendations because of their preference to remain neutral unless they could devote considerable space in explaining their stand.

VOLUNTEER WORK

One man who does not belong to the Nazarene church was attracted to the new building site on West Ninth street by the noise made by the workers. He inquired of the project and learned that only volunteer help is building the educational unit.

"I have a little time between shifts and I'll be glad to help," he told Rev. William Thompson, the week-day director of the building and the Sunday minister.

And so the non-Nazarene member has joined the working crew.

"If these men can give their time I can too," he said as he manipulated his power tools.

Rev. Thompson said he had not seen the man prior to his reporting for work. Maybe he could use a few more men like that.

GUM CHEWING

What a change has come over our way of living since we were at the age of a junior high school student. Autos were "new" then; radio was a dream and television had never been mentioned.

Gum chewing nevertheless was popular then and the coming of these modern facilities hasn't changed gum chewing one bit.

In yesterday morning's daily bulletin at the Upland Junior high school was this paragraph;

"The penalty for gum chewing in class, assembly or anywhere else around the building is half an hour. The penalty will be increased for those who persist in chewing gum."

My, oh, my, it seems we remember hearing something like that—and how we hated to stay after school.

WHAT MAKES NEWS?

Earl Hawthorne was asked if he had any news. "Well," he paused—and he paused long enough to take his favorite pipe out of his mouth. "You might say I am not in jail." And so that is news. Earl Hawthorne is not in jail. Not that he ever was but the biggest news in a local paper always concerns names. And so Earl is included.

Readers of The News in former years remember that he was frequently listed in the columns. He was one of the most active Boy Scout leaders the Old Baldy district ever had. His work is long remebered and today scores of his former scouts pay him high tribute for his keen interest in their welfare.

HOTTEST SUMMER

L. N. Kirk, 429 North First avenue, who has been here since 1909, says this summer was the hottest he has ever experienced here. He will get a lot of support in that conclusion.

"Usually we have a few hot days then a cooler spell," he explained. "This summer it was so continuous and it was awfully hot—the worst summer I can recall." And then he touched a philosophical note; "I think it was hotter all over the nation than usual, so it was still a very good summer here by comparison."

THINGS TO REMEMBER

If everyone in Upland would remember the community chest this week, it would be good for hundreds of persons. "If you are going to give, give voluntarily without waiting for a caller." That is the appeal of the Upland Exchange club members.

Give generously to your community chest.

Dr. Jesse P. Bogue, executive secretary of the American Associtaion of junior colleges will visit the Chaffey college campus on October 20 as a guest of Director Leo A. Wadsworth and the institution. Dr. Bogue is author of the book, "The Community College", which has been well accepted in the junior college field.

All In One Block

Yule Story To Be Unfolded In 22 House Displays

Twenty-two families are uniting their efforts to present through exterior house decorations a well known Christmas story. The families occupy one square block and decorations on each of the 22 houses will portray one phase of the Yule theme.

The block in which all the families are uniting for an unique outdoor display extends from Sixth to Campus avenues and from Arrow highway to F street.

Begins on F Street

The story will begin with a display at the home of Mr. and Mrs. A. Schneider, 640 F street, and the story in continuity, will be unfolded as observers go east on F street to Campus; the west side of Campus to Arrow and the north side of Arrow to Sixth and north to F street.

"We got the idea by seeing what residents did in Fontana" explained Darwin Brest, 551 North Campus avenue. "We have been watching them for several years and then concluded we could do something here."

Several meetings of all the residents have been held. Materials for displays have been purchased and a definite work schedule has been outlined for each resident to complete various phases of the "story".

Identity Unknown

Identity of the story will be kept secret until just before the displays go up.

"It has been wonderful to get the cooperation of all the neighbors within the boundaries of the block," Mr. Brest said. "The idea is not just to do this one season but to continue it with improvements and changes for several seasons."

The public will be invited to tour the district at the Yule season and motorists will be directed to follow a definite route in observing the sequences in the story.

In the first annual Upland chamber of commerce house display contest last Christmas, the Brest home was judged the best. At that time Mr. Brest revealed to a few friends plans for the 1952 season. Since then preparations have gone forward.

Flood lights will illuminate the scenes at each house. Roof lines at each house may also be lighted to more brightly feature the cooperative project.

Judy Brest, daughter of Mr. and Mrs. Darwin Brest, is in charge of the art work and color scheme.

Hobby Of Pictures Pays Off

Thousands of people list photography as a hobby, but few of them go at it so thoroughly, completely and fast, as Mrs. Betty Ring. Last May she got a German Rolleicord camera as a Mother's day present. Since then she has won prizes at a local

camera club and acted as official photographer for the Cucamonga Grape festival.

Her energetic approach to photography is typical of all Mrs. Ring's activities. Her husband, a consulting engineer, will vouch for her as a good houskeeper, and she also puts in several hours each week in club work.

No Lessons

Pert, active Mrs. Ring says she has never had a lesson in photography. She just "picked it up as a hobby," and has already begun to make it pay.

She often does portraits of her friends and has handled the photography for several club projects. Like most camera enthusiasts, she will spend hours trying for a certain shot. Last spring she spent several chilly, past-midnight sessions outdoors taking pictures of the snow-covered mountains, and a character study of herself in front of a crumbling old building in Cucamonga took "practically all summer to get."

"I wanted the light just so," she smiled as she showed the picture.

S.A. Water Co. Wins Right To Buy Euclid Firm

Purchase by the San Antonio Water Co., of the Euclid Water Co., is today scheduled for completion after many months of litigation.

Judge Frank G. Swain of the Los Angeles superior court, in bringing to an end a long period of waiting, has ruled the proposed water company transaction is legal, is for the interests of the stockholders and is in accordance with good water engineering practices.

To Issue Stock

Judge Swain's ruling will have the effect of requiring the state corporation to issue 325 shares of additional S. A. company stock to stockholders of the Euclid Water Co., as part payment in the transaction.

The only legal obstacle ahead for the transaction is an appeal by the corporation commission to the state appellate court but observers expressed doubt that this would be done.

Copies of Judge Swain's "findings of fact" will be mailed to all S. A. company stockholders soon, according to Don Adams, company manager.

Purchase of the Euclid Water Co., and issuance of additional stock was authorized early in 1951 by a large majority of S. A. company stockholders. Several stockholders, however, filed with the corporation commission a protest against issuance of the stock. Since the city of Upland is a large S. A. stockholder, the Upland council was involved and a majority of the councilmen voted to engage an engineer to study the situation and to be represented at the commission hearings.

Decision Overruled

Following a hearing conducted by the corporation commission, the issuance of stock was denied. The San Antonio company then filed mandamus proceedings against the commission and Judge Swain's decision favored the company and calls upon the commission to issue the stock.

The corporation commission hearing evidence required 361 pages to record the transcription. In his decision, Judge Swain refers to details in this transcription and cites specific cases as to where the commission erred.

Judge Swain, according to his answer, also reviewed the S. A. company's practices, expressed approval of the fairness in distributing water and commended the company for observing good engineering in its management and use of its water resources.

Frank C. Buffington, president of the S. A. Water company, said in a statement to be mailed to the stockholders;

"Judge Swain finds the corporation commissioner completely in error in denying our permit to issue stock and backs our company 100 per cent in its stand for honesty and fairness. He gives further favorable comment on our policy of distribution and engineering practices."

Alta Loma, Old Baldy Houses May Combine

Consolidation of the Old Baldy Citrus association and the Alta Loma Citrus association into one organization with the increased operations in Old Baldy's house is a proposal receiving members' consideration today.

If owners representing 75 per cent of the acreage in both houses approve the proposal by Nov. 1, the consolidation will become effective. In a members meeting Friday, Old Baldy growers informally approved the proposal and previously members of the Alta Loma association had informally accepted the plan.

Members Sign Up

A written approval is the basis on which formal action can be taken and growers are reported to be signing a document formally bringing to realization the proposal.

The consolidation proposal follows a series of meetings of representatives of the two associations. Leaders of each group realized that additional volume of fruit might result in a reduction of expense on a "per box basis". An impartial committee studied the possible consolidation to determine which association might have the best facilities to handle the larger number of growers. The committee recommended use of the Old Baldy house.

Adoption of a new name was recommended by the joint committees. "Cucamonga Mesa Citrus Association" is the name being used in the tentative agreements but this was announced only as a suggestion.

To Elect Board

When it has been determined that 75 per cent of the acreage has been signed up for the new

Figure For Bond Issue To Be Set

High School Site In Upland Is Studied

How much money will be required and where is the best location for a new high school campus in the Upland district?

These are two questions before the Chaffey advisory board and members of the Chaffey board of education. The advisory board will meet Wednesday to decide the amount of money necessary for completion of the high school buildings on the Fontana campus and the amount necessary for purchase of a new campus to serve Upland district students.

A bond issue election is planned for voters' approval in order to obtain money for development of the educational facilities.

Wiliam Dunkle, chairman of the advisory board, said yesterday his group of interested citizens will decide on an amount and recommend to the Chaffey board that a bond election be called at an opportune time. Included in the recommended amount will be the estimated cost of finishing the educational facilities on the Fontana campus and an estimate of what it will cost to buy a site for a new campus.

Forty acres of land is the recommended size for a high school campus and it will be up to the Chaffey board members to select the site. Previously recommendations and study of population growth have led Chaffey officials to conclude that a new campus will be necessary within three or four years.

The new campus will be so located to best serve Upland students and those from Alta Loma and Cucamonga, according to a previous announcement from Chaffey.

An additional bond issue will be called later to provide funds for the buildings on the Upland campus.

Exchange Club Head

Walter Stewart

New president of the Upland Exchange club is Walter Stewart. He was installed at the club's meeting last week and he and the other new officers were feted at an installation party at Ice House canyon resort Saturday night.

Chest Budget Spent Locally

All but $153.93 of the Upland community chest budget is spent locally or through local agencies for the benefit of the city's character building and welfare agencies, it was emphasized yesterday by G. B. Warders, chairman of the chest's solicitation committee. Exchange club members are in charge of the city-wide drive for $8,000.

"Overhead" expenses, including supplies and office outlay total $214.87, according to the current budget.

"Some of our solicitors have had complaints that so much of the money goes for overhead costs and to out-of-town agencies," Mr. Warders said. He listed the budget as follows;

Boy Scouts	$3,300.00
Girls Scouts	2,991.20
Sick Baby fund	400.00
Heart clinic	140.00
Dental clinic	500.00
Children's hospital	153.93
Overhead expenses	214.87

The Mary Louise Heart clinic is conducted at the San Antonio Community hospital and the $140 in the chest budget is only a very small fraction spent in aiding youths and others who are unable to pay.

Likewise, the sick baby fund and the dental clinic items in the budget include only a small part of what is actually spent for these projects. Other funds come from individual sources and other benefits. The Upland Junior welfare league directs the dental clinic activity.

Upland News Conducts Poll

30 Per Cent Local Democrats For 'Ike'

If all local Democrats vote, Nov. 4 in the same manner as those who expressed themselves in an Upland News poll, General Dwight Eisenhower will pick up about 30 per cent of the Democratic ballots.

In an effort to determine how local persons who are registered Democratic are going to vote, The News telephoned a representative group in all sections of the community. Sixteen Upland precincts and two San Antonio Heights precincts were sampled in the poll.

Each Democrat was asked for whom the vote would be cast Nov. 4. The results follow;

56 per cent for Stevenson.
30 per cent for Eisenhower.
14 per cent undecided.

Those who said they were undecided were pressed for an answer by this statement;

"If the election had been held today for whom would you have voted?"

If the reply was "I simply don't know," that indication was placed in the undecided column.

At the outset of some calls the person interviewed at first gave an "undecided answer". When pressed for an expression of preference, the voter gave a preference and then qualified it such as; "that's how I'll vote now but conditions might change."

This is a predominately Republican community and it is presumed that few of the G. O. P. registered voters would switch to Governor Adlai Stevenson, the Democratic candidate.

Registration for next month's election includes 2,877 Republicans and 2,267 Democrats. If the "swing to Eisenhower" includes 30 per cent of the locally registered Democrats, and if they all vote, the Eisenhower forces can count on the support of 680 persons from the opposing party.

What will happen to the 14 per cent of the "undecided Democrats" is uncertain. It is likely at least half of this group will vote for Eisenhower.

The poll taker was emphatic in reporting that the registered voters were usually very definite in their views—they were either for Stevenson or for Eisenhower or were undecided.

The people interviewed also expressed keen interest in the campaigns, an indication of a large turn out for the Nov. 4 election.

Gain Of 20 Per Cent In Pupils Here Is Reported

Attendance in Upland schools is 20 per cent higher than at this time a year ago, Superintendent Harold W. Cook reported yesterday as the first four weeks of classes ended.

Total average daily attendance here now is 1411 pupils as compared with 1169 in 1951. This 20 per cent gain is given as the reason for double sessions and the school housing problem.

Attendance by schools follows Upland junior high school, seventh and eighth grades, 233; Upland Elementary school, 806; Sierra Vista school, 361 and special education class at Eighteenth street school, 9.

Funds from the state educational allotment come to Upland on the basis of the average daily attendance.

TV Log Is Added As Service To Upland News

As a service to Upland residents and published in response to many inquiries, a television log is in The Upland News today. It includes all major chanels and covers the seven day period from Thursday to the following Wednesday night. It will be a regular feature every week.

In other words, television followers can now study their log in their local newspaper and keep in touch with all the major program features.

Number of requests for the "TV" log has increased in recent weeks and The News management is happy to supply the service.

Many People At PTA Meeting

A contributed dinner enjoyed by some 350 interested fathers and mothers opened the October meeting of the Upland Parent-Teacher association Tuesday evening in the cafeteria of the Upland Elementary school.

Mrs. Harry Reading and Mrs. Elias Martinez were chairman for the dinner, and were assisted by the Mesdames Jask Jones, Donald Ricci, W. E. Gillespie, Mariana Martinez, Jack Litch field, Franklin Welch; Mr. and Mrs. Anthony Milo, Mr. and Mrs. LaVerne Leaman, and Mr. Reading.

Following the dinner, Mrs. Albert B. Weisbord, president presided over the meeting in the auditorium. Thought for the day was given by Mrs. John Reisz on the theme, "To Make Their Days Pleasant, Have Time For Your Children".

Bernell Gregory led the salute to the flag, followed by the singing of "America", after which he led group singing of familiar songs. Mrs. Kendle Hill accompanied at the piano.

All the teachers were introduced.

Mrs. Grant Brown, program chairman, presented Harold W. Cook, superintendent of schools, who spoke on the propositions on the November ballot which pertain to schools. W. W. Mather explained the other amendments.

Mrs. Virginia H. Rook's room won the attendance prize for the Elementary school; and tying for the Junior high prize were Donald Demmon's and James Blake's rooms.

Frank Blanton Buys 5 Acres Of Lemons

Mr. and Mrs. Frank A. Blanton have purchased the five acre lemon grove and residence at 1361 West Fourteenth street. The seller was A. H. Magill.

Mr. and Mrs. Blanton, long-time Upland residents, have moved to their new property from Gilmore drive, Upland.

Not In City Hall

New Court May Be In Business Building

Establishment of an office to serve as a courtroom for Judge Fred H. Jacobs beginning Jan. 1 is being planned by San Bernardino county officials. At that time the city court under the judgeship of Mildred R. Puckett will cease and Judge Jacobs, now justice of the peace in the township, will become judge of the combined city and township court.

Supervisor Will R. Mason and Harold Zenz, county administrator, recently conferred with City Manager Richard G. Manley about using space in the city hall. Facilities are crowded in the municipal building, however. Members of the municipal staff are on record opposing establishment of the new court in the city hall due to the crowded conditions.

Two downtown business buildings are being considered as possible sites for the courtroom.

San Bernardino county is paying for the rent and other office expense. For that reason the arrangements for a courtroom are being made by the county. A full-time clerk will assist Judge Jacobs in the combined office. The city receives 75 per cent of the traffic fines.

New Citrus Manager Buys Residence Here

Earl Weatherwax, newly appointed manager of the Upland Citrus association, has purchased a residence at 523 West Twenty-fourth street and he and his family will occupy their new home within a short time.

He assumes his new managerial position here Nov. 1, leaving as manager of the Whittier Citrus association. His experience includes field work as well as packing house operations.

The West Twenty-fourth street residence was purchased from Mr. and Mrs. Charles B. Hansen, who are moving to Ontario.

Eugene Nisbet On Sheppard's Advisory Group In Campaign

Eugene G. Nisbet, Upland mayor, has been named by Congressman Harry R. Sheppard as a member of his bi-partisan advisory group. Mr. Sheppard is seeking reelection to a ninth term in Congress.

In a release from Mr. Sheppard's campaign headquarters, Mayor Nisbet is quoted about M.r Sheppard as follows:

"Just quote me as saying this; 'When you have the best, why trade for less'."

Mr. and Mrs. James E. Goodban, 572 East Arrow highway, and Mr. and Mrs. Ralph H. Marr, 170 Tenth avenue, returned home Monday evening after a week end motor outing which took them to Zion National park, Bryce Canyon and Cedar Brakes. They made the trip at this time especially to see the beautiful fall coloring of the trees.

Cheaper By The Year

Subscription Price Of Upland News Adjusted On Short-term Payments

While the annual payment-in advance price of The Upland News is not being changed from $3, an adjustment is being made in the price when payments are made on less than a yearly basis. The change will be effective Nov. 1. Price of single copies will also be increased to 7 cents on that date.

The new payment rates are as follows;

By the three months, $1; by six months, $1.75. Previously, $1 paid for four months and $1.50 for six months.

In other words, cost of The News is unchanged when payment is made on a 12-month basis. An increasing number of subscribers are paying on a yearly basis due to the small amount involved and to the convenience of paying only once in 12 months.

It is expected the financial inducement of paying by the year will appeal to most subscribers.

The slight adjustment in rates is made necessary by the cost of the bookkeeping detail in billing and crediting short-term accounts.

778 Members In PTA Campaign

Upland Parent-Teacher associatoin now boasts 778 members as the result of the annual membership drive, which was conducted under the able direction of Mrs. John Nicholson, membership chairman. The campaign lasted from October 6 to October 11.

A chart in the school hall kept the children informed on the progress of the drive from day to day. Of the 778 members, 510 are women, 235 men, and 33 teachers. Membership is still open, and it is expected that the number will increase.

In the lower grades, prize for the greatest number of members was won by Miss Ellen Bumstead's second grade room; in the upper grades, Oliver Soderoy's fourth grade was the winner. Donald Demmon's room in the Junior high school won the prize there.

Clever posters advertising the membership drive were displayed in the windows of downtown stores. Judged by the executive board, Nancy Hollis won the first prize, Phyllis Harmon, second, and Brenda Cofer, third.

Bill Williamson Veteran Here In Auto Tow Service

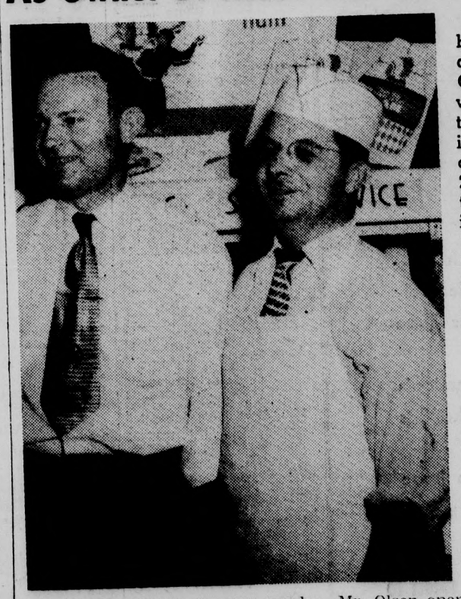

Bill Williamson is very much in the towing business. He has been in that business since coming here in 1924. And he maintains 24 hour service.

The Upland News recently published a feature story in which it was stated that Frank McMakin was the only auto tower in Upland.

"How come? many friends of Mr. Wiliamson asked him. And so The Upland News hastens to emphasize that the Mountain avenue resident is a very active auto tower and that he has aided many motorists in distress.

He resides and maintains his business on Mountain avenue at Twenty-first street.

Ernest Olson Observes 25 Years As Owner Of Meat Market Here

Clinton Mayberry, left and C. Ernest Olson are working together in observance of Mr. Olson's 25 years in the meat business here. This picture was snapped in front of the meat counter in Mr. Olson's market.

Mr. Olson's first store was located on Second avenue and he developed a large volume there prior to moving to his present location.

C. Ernest Olson is this week celebrating 25 years in the meat business in Upland.

Clinton Mayberry and Mr. Olson occupy the same building in conducting their food business and so the two men are uniting in an anniversary sale at Olson's market and Clint's market.

Mr. Olsen opened his first meat market a short time after being graduated from Chaffey high school. At that time he was located in the building now occupied by Haack's store. The late A. H. Johnson conducted a grocery store at that address and

Mrs. Murray Bassett of Wichita, Kansas, was a guest, and members enjoying the hospitality of Mrs. Bowers were the Mesdames Ardis C. Gray, Henry Harms, Frank C. Buffington, Etta Johnston, L. R. Nichols, D. J. Cameron, John Baumgartner, H. C. Sahlmann, W. M. Dundas, H. R. Reeves and Ruth Stockman.

To Attend Meet

Upland Business and Professional Women's club will be well represented at the quarterly meeting of Business and Professional Women, San Orco District, at Laguna Beach hotel on Saturday and Sunday. Mrs. E. Tweed Stone, district vice-president, will conduct the Sunday morning session.

Others planning to attend from Upland are Mrs. George W. Cassell, president and the Misses Frances Barks, Doreen Hill, Velma Owen, Betty Brennan, Ethel Jean Wilson, Ada Cooper, Harriet Wolfgram and Lois Brown.

Large Crowd In Attendance At Harvest Festival

Dinner was served to some 400 persons Friday evening at the annual Harvest Festival sponsored by the Alta Loma Parent-Teacher association, and another 100 persons joined the crowd for the contests, games and entertainment which followed the dinner.

Approximately $350 was added to the P T A. treasury by the event, according to Mrs. Arthur Arbezzi, general chairman. Mrs. Norman Hixson and Mrs. Lloyd Guinn were in charge of a variety of games.

The many prizes were donated by individuals and business firms in the community.

Dr. Bartlett Speaks To Methodist WSCS

Guest speaker for the October meeting of the Woman's Society of Christian Service of the Upland Methodist church last Thursday was Dr. Willard W. Bartlett, head of the department of education at LaVerne college and world traveler. His subject was "A Way of Life".

Also on the program was William E. Walk, Ontario attorney, who discussed the propositions on the November ballot.

Guests at the meeting were members of the societies of the Ontario Methodist church and the Cucamonga Community church.

Mrs. Hugh L. McLellan, president, opened the business session at 11 o'clock. Mrs. Eugene L. Mueller gave the devotions, and two selections were sung by a quintet composed of the Mesdames Charles L. Dinger, Emeline Stauffer, Lewis Jenison, Lucile Ulrath and Ralph H. Marr. They were accompanied at the piano by Mrs. Ralph Wilson.

More than 125 members and guests enjoyed the 12:15 luncheon served by the Dorcas circle, assisted by the Beulah circle.

Girl Scout Troop 66 Visits Casa Colina

Accompanied by their leader, Mrs. John A. Luther, Girl Scouts of Troop 66 made a trip to Casa Colina convalescent home for crippled children after school on a recent afternoon. They plan to send a group each week to work with convalescent children under the guidance of the occupational therapist.

Making the trip were Norma Ammannito, Elizabeth Buchenau, Dixie Dahms, Gail Frankish, Marcia Hoag, Brenda Keller, Marcia Ann Luther, Linda McCarter, Delores Wood, Janice Dybsand, Diana Cometti, Cynthia Barone, Gail Hoag, Judy Moffitt, Betty Price, Nan Shotthafer and Gale McCully.

Rebekah Lodge Has Guest Night

About 120 members and guests from the Ontario, Chino, Pomona and Claremont lodges enjoyed the guest night meeting of Silver Link Rebekah club Friday evening in the I. O. O. F. hall.

Mrs. Charles B. Reed, noble grand, presided over the lodge session.

Mrs. W. M. Cate was in charge of the entertainment, which caused much hilarity. She called on guests from the different lodges, each of whom was asked to put on a stunt.

For the social hour the group adjourned to the dining room where the tables were decorated with fall flowers, and little dolls at the guests' places. Mrs. Lee Bigley was chairman of the refreshment committee.

"My Dad IS A P.E. BUS DRIVER"

Nobody makes a hero of the bus driver—except his family. Yet he carries more people safely on more important missions than any other figure in transportation.

Your P. E. bus driver ranks with the nation's best. His skill under many pressures makes his complex job look easy.

More than they know, his children have good reason to say with pride: "My dad is a P. E. bus driver!"

Cucamonga Woman's Club Holds Opening Meeting

Two new members, Mrs. Howard J. Kilmurray and Mrs. Steve DeAmbrogio, were welcomed into the Cucamonga-Alta Loma Woman's club last Thursday when the organization opened its 1952-53 season with a luncheon in the Cucamonga Community church.

Mrs. W. H. Powelson, president, presided, and opening exercises were conducted by Mrs. Ray Derfer and Mrs. Arthur Allen.

Guest speaker was William E. Walk, Ontario attorney, who explained the various proposition on the November ballot.

Mrs. Lewis Gilbert was appointed to collect costume jewelry and men's and women's clothing for the patients at the Pattor State hospital.

Luncheon, Inspirational Talk Feature Woman's Club Meeting

Mrs. John E. Skewis, president, welcomed nearly 200 members and guests at the luncheon which opened the 1952-53 season of the Upland Woman's club Tuesday at the club house.

Dr. Fred M. Judson, pastor of the Santa Monica Baptist church, pleased his audience with his inspirational and humorous talk on "It's a Wonderful Life". In summing up the way to a full life, he emphasized three points:—"Learn to know yourself and don't take yourself too seriously; relax, we begin at the age of 20 the pattern for our lives at 70; don't worry, 98 per cent of our worries never happen."

He was presented by Mrs. Lyman A. Keys, program chairman.

Another feature of the afternoon was a brief talk by Congressman Harry R. Sheppard, who was instroduced by Mrs. R. J. Bowman, legislation chairman. His was the first of a series of appearances before the club of candidates for office on the November ballot. Presenting the Republican side of the campaign at the Oct. 28 meeting will be Judge Carl B. Hilliard, candidate for Congress.

Presented by Mrs. Clyde R. Tigert, membership chairman, were 30 new members who were honored at a special luncheon table. They were the Mesdames George Bates, Dwight E. Bert, John E. Brown, H. A. Burleson, Howard F. Clark, Kilgore Collier, Robert Erickson, Thomas A. Gibson, Irwin Hartley, P. J. Hill, Gerrit Kempers, Clayton W. Moore, Seymour Lydick, W. C. Lydick, Jack Marler, Joseph Nepote, O. E. Hatch, Jr., Dale Pulver, Elmer Redfield, C. M. Redmon, Robert C. Ring, R. W. Riley, Harold L. Rowe, David Sexton, Olof E. Snyder, Gordon Scott, James C. Stamm, C. E. Stevens, Theodore R. Uber and G. B. Warders.

Mrs. Herbert L. Archibald explained propositions 2 and 24 on the November ballot.

Report of the summer cleaning and repairing activities at the club house was given by Mrs. J. F. Sawyer, house chairman.

Mrs. Arthur Rea announced that the study section would begin its program for the year on October 28 at 1 p.m. The year will be devoted to Bible study.

Luncheon was served by the October committee under the direction of Mrs. Charles O. Deverts and Mrs. W. H. Boyle, chairmen.

The tables were attractively decorated with clusters of grapes with trailing vines and Halloween figures, the work of Mrs. Boyle. Mrs. Jack Dorrity arranged the greenery and pomegranates which adorned the stage.

Greeting the members as they arrived were Mrs. W. K. Dunkle, Mrs. R. N. Jamieson and Mrs Floyd Stickney.

Mrs. John Skewis, shown above, welcomed members of the Upland Woman's club when they opened the 1952-53 season Tuesday noon. The year starts with the largest membership in history.

Alta Loma, Old Baldy May Be In Consolidation

(Continued from Page 1)

association, the consolidation will become final. A board of directors will be selected and other steps will be taken to consolidate the operations in the one house. It is anticipated the new operation will handle nearly twice as much fruit as has been handled by Old Baldy.

Under the plan, the Alta Loma packing house building will be sold. Members of the Alta Loma group will share in proceeds of this sale.

Norman S. Lawson, a director of Old Baldy, explained details of the proposal at the growers' meeting Friday. He was on the committee handling the preliminary details and he related the long process of arriving at a plan acceptable to all interests. Walter S. Moffitt, president of the Old Baldy association, presided.

Combination of the Old Baldy and Alta Loma houses into one association is a step in keeping with the modern trend of using facilities to near capacity in the interests of economy, it was pointed out at the meeting.

All Women Will Be Welcome At Silver Tea

A large attendance is expected at the annual silver tea which each fall is the opening activity of the Woman's Auxiliary of San Antonio Community. Mrs. Edred W. Drew, 209 Princeton street, Ontario, is opening her home for the event, which will be held Monday afternoon at 3 o'clock.

Mrs. Leslie Hoag, president, wishes to impress on the public that this is not an invitational affair, and all women in the community will be welcomed.

Mrs. E. F. Pelton, membership chairman, will be at the tea and will be glad to give information about membership in the group.

Highlighting the afternoon will be the showing of an unusual collection of fine China and Dresden figurines, the property of Mrs. William Plump, who was formerly in the importing business in New York. Among the beautiful pieces which Mrs. Plump will display are Rosentha and Heinrich place settings, and a collection of Cobalt Blue.

Assisting Mrs. Drew on the tea committee are Mrs. A. A. Aita, Mrs. F. A. Charles Drew and Mrs. Frank M. Taylor, Jr.

Proceeds from the tea will go to help furnish a room in the new wing of the hospital.

Request For New Stamp Read At DUV Meeting

Mrs. Marie J. Hayden, president, presided over the monthly meeting of Mary Brainard tent, Daughters of Union Veterans, held last Thursday evening in Memorial hall, Ontario.

A request was read that a stamp be issued commemorating the completion of the longest highway in the United States. It extends from the tip of Cape Cod in Massachusetts to Long Beach, a distance of 3654 miles. The last short stretch from Provo, Utah, to Ely, Nevada, was completed this month.

This is an extraordinary achievement in that it has taken 25 years to build the highway and 16 years to secure legislation in 14 states naming it "Grand Army of the Republic U. S. 6 Highway". The patriotic orders feel that this accomplishment is of sufficient historical importance to merit a lasting memorial to the Civil War veterans.

Following the business session, the group enjoyed a social hour and refreshments were served by Mrs. W. M. Stevens and Mrs. Rose Burwell.

Panthers Face Victory Chance

It's a sink or swim proposition for the Chaffey college Panthers Friday night as they travel out of town for a fray with the Riverside Tigers.

Coach Don Kramer is putting his boys through harder-than-ever practice sessions this week, aware that Friday's game is the Panther's only real chance for a victory in the next few weeks, since their coming contests are against the powerful Boise, Idaho and Orange Coast squads.

Locals Favored

The Panthers go into their second game of Eastern Conference play against the Tigers with a three loss, one win record. Last week they dropped a one-sided tilt to Fullerton with a 44-0 score. The week bofore the Pasadena Bulldogs drubbed the 61-0.

Despite the Panthers' record forecasters are giving them a slight advantage over Riverside.

Chaffey's squad may be weakened Friday night by the loss of several players, including guard George Robinson, who took a second knee injury last week. Several other Panthers are listing minor ailments.

Powerful Hornets

Fullerton Hornets scored in every quarter last week to run up their large margin of victory, beginning with a touchdown less than a minute after the game started.

The Panthers, who showed poor tackling and blocking, managed to get within six feet of the Fullerton end zone, but failed to reach pay dirt.

The heavy fog which obscured the field during the last half of the game was so thick that fans were unaware of Fullerton's final touchdown in the last few minutes of play.

REDLANDS GAME FRIDAY MAY DECIDE LEAGUE CHAMPIONSHIP

Chaffey high's Tigers get off to a rough start in Citrus Belt league play Friday night when they tackle the Redlands squad on the local field at 8 p.m. Redlands is rated as one of the top contenders for CBL championship honors this year.

Both elevens have unblemished records in their practice games. Last week the Tigers downed the Santa Barbara Dons 27-21 with an exciting lastminute scoring drive.

Even Game Seen

Tiger coach Ted Runner has seen the Redlands team in action and he rates Friday's game as fairly even. The locals are in good shape for the fray, with all the regulars slated for action except fullback Bob Craft. He is out with an injured knee.

On the basis of their top form in the last week's thriller, forecasters are expecting the Tigers to score a one-touchdown victory over Redlands.

Major defect the Tigers showed last week was in their pass defense, and this will be important against Redlands.

Uplanders who saw the Chaffey boys in action against Santa Barbara last week felt a glow of pride as Upland Junior high products made a fine showing.

Upland boys did all the scoring, which began when Joe Agapay grabbed the opening kickoff and raced 93 yards for a TD. Tailback Sammy Crowe retained his starring honors, passing for two scores and kicking for some extra points.

The locals held a 20-7 advantage at half-time, and in the third quarter the Dons took the lead 21-20. They held it till the last 90 seconds of the game.

Last-Minute Score

In the closing minutes, Runner took Crowe out of the game and put in another Uplander, Louis Hoyos, who pitched an end pass to Dean Smothers for the winning score.

The tigers showed strong defense in the fourth quarter, holding their opponents to an 18-yard ground gain. Agapay and Crowe were the consistent bright lights during the evening.

Uplanders Set For Start Of Grid Play Today

With a one win, one loss record in practice games, Upland Junior high school's Red Raiders take on the California Junior Republic boys today at 3 p.m. on the local field to begin their Mt. Baldy league play.

Last week the Red Raiders dropped a one-sided contest to Redlands 26-0, and the week before they topped the Chaffey frosh 7-6.

Coach Joe Bagadonas' boys are all set for today's fray, with the exception of Odell Carter, who suffered a shoulder injury in last week's game. He may not see action.

The Junior Republic boys have lost to Webb so far and won out over the Chaffey frosh. Last year the locals downed the Chino eleven 27-7.

Held Off

Jimmy McKellar, outstanding Red Raider tailback, sparked the squad in their tilt with Redlands, but despite his efforts, the Uplanders never got closer than the Redlands 20.

The Redlands squad scored in the first three quarters, but were held for no scoring in the fourth. The locals were considerably outsized, and showed poor defense. Fumbles were one of their major defects.

Chuck Bacon, fullback, and Bobby Hemsley, right end, showed up strong in the game.

Smaller Squads

The Upland Junior high lightweights downed La Verne 26-6 in their first game of the year last week, and the heavyweights tied the La Verne heavyweights 26 to 26. The heavyweights are slated to meet Covina this week.

Local Nine In Southland Play

Sponsored by Douglas Aircraft Co., and the Cleveland Indians baseball team, a local nine will play in a Southern California Winter league beginning Sunday. Kenneth Smith will serve as coach and Jess L. Cleveland, 335 South Campus avenue, will be manager. The Cleveland Indians are interested in the local nine as providing a means for prospective big league players getting a chance to perform for scouts. Special scouting interest will be shown on Ray Baker, Upland catching prospect.

Dick Zuccato, already signed with the Indians, will be on the local team. Other players will include Jack Brewer, a former San Francisco Seals pitcher, who resides at Parkside: Lee Clay, Don Seely, Buzz Gardner, Leo Garcia and Vince Melendrez.

Mrs. Anna Eisenhower Claimed By Death; Services Held

Funeral services were held Monday afternoon at the Upland Brethren in Christ church for Mrs. Anna B. Eisenhower, widow of Dr. Abraham L. Eisenhower and only surviving aunt of Gen. Dwight D. Eisenhower, who died Friday at her home, 685 North First avenue, following a long illness. She was 86 years of age.

A native of Pennsylvania, Mrs. Eisenhower came to Pasadena 38 years ago, and had lived in Upland for eight years. She was a member of the Upland Brethren in Christ church. She is survived by one sister, Mrs. Mary B. Evans of North Wales, Penna.

The Rev. Alvin C. Burkholder, pastor of Upland Brethren in Christ church, officiated at the last rites, which were followed by interment in Bellevue cemetery.

Newcomers

Mr. and Mrs. Paul Caldera have purchased the residence at 314 South Vine avenue. They have moved there from 236 Main street, Cucamonga.

* * *

Mr. and Mrs. W. L. Keller are now occupying their new home at 616 Winn drive. They are former residents of San diego, and Mr. Keller is now employed as a missile analyst at Convair in Pomona.

* * *

Other newcomers on Winn drive are **Mr. and Mrs. Bill Evans,** who live at 742. They are also from San Diego and Mr. Evans works as an engineer at Convair.

* * *

A third former San Diego family now living in Upland is that of **Mr. and Mrs. Everett Collins, Jr.,** 704 Vallejo way. They have one son, and Mr. Collins works at Convair.

* * *

Rev. and Mrs. William G. Tapsfield, the parents of small twin boys, have moved into their new home at 691 Ukiah way. They moved here from Los Angeles. Rev. Tapsfield is director of the music department of Upland college, and the minister of music at the Temple Baptist church in Ontario.

* * *

Mrs. Catherine Richardson is occupying her new home at 794 Vallejo way. She is a former resident of Ontario.

JV Teams Busy At Junior High

Junior varsity football teams at the Upland junior high school are keeping just as busy as their big brothers.

Don Demmon is coach of the JV "heavyweights" and James Blake directs the JV "lightweights". A regular playing schedule is followed by the teams.

Members of the heavyweight squad are the following:

Jerry Bartlett, Larry Bartlett, Don Bare, Paige Butler, Tony Cheaney, Grant Elliott, Dick Francisco, Paul Hirschman, Carl Johnson, Hank Lomax, Dave Martinez, Jim Marquez, Rudy Medel, John Miguelena, Pete McNamee, Richard Owens, Chon Padilla, Dave Priest, Joe Savala, Carl Skvarna, Tom Ballogg, Neil Storms, Jerry Nichols, Melvin Nichols, Gary Santolucito and Jess Munoz.

The lightweight squad includes: Joe Calzada, Laury Beck, Donald Bennett, Tommy Boswell, Kenny Calhoun, Donald Donahue, Louis Edelman, Gary Gannon, Abel Gomez, Kirby Garrett, Herbert Fisher, Richard Hemsley Lloyd Hunter, Mike Hanamura Danny Harvey, Fred Luna, Ruben Luna, Bobby Munoz, Paul Pace, Tom Schneider, Gary Thrall, Skip Wulf, Ronnie Ynostroza, John Hood and David Hershey.

Only one newspaper in the world is really concerned about Upland. That paper is The Upland News.

Concert Series Opens Nov. 6

Season tickets for the Civic Concert series are now on sale at the box office of the Gardiner W. Spring auditorium on the Chaffey campus, it was announced this week by George Duley, president of the Civic Concert association.

The season of four attractions will open November 6 with the appearance of Ana Maria's Spanish ballet troup, featuring the celebrated guitarist Carlos Montoya.

The auditorium box office is open from 10 a.m. to 5 p.m. Monday through Friday. Season tickets for adults are priced at $7.50, $6.00 and $4.80. Student season tickets are $6.00, $4.80 and $3.50. Chaffey college student body ticket holders will have $2.50 reduced from the price of their tickets.

Tickets for individual concerts will go on sale at a later date.

Other attractions on this year's series are Lotte Lehman; Dec. 2; Robert Merrill, Feb. 5 and the First Operatic symphonette, March 5.

Uplanders are proud of the fact that parking is free in Upland.

George Eyers Note 25th Anniversary

Mr. and Mrs. George Eyer will celebrate their twenty-fifth wedding anniversary Sunday. They will observe the event by entertaining close friends at dinner at their home, 776 North Second avenue.

Mr. and Mrs. Eyer were married at the home of her parents, Mr. and Mrs. A. H. Wenger, 481 North First avenue, by Bishop J. H. Wagaman of the Brethren in Christ church. They have resided in Upland during the quarter century.

Bartlett Sells All Of Lots In Block As Buyers Seek Euclid Frontage

Indicative of an increased demand for Euclid avenue frontage, Lowell E. Bartlett reported today all of his 15 lots on the west side of the avenue from Thirteenth to Fourteenth streets had been sold. He purchased the property and cleared off citrus trees four years ago.

"The big demand started in June of this year and has continued since then," he said. "I could have sold another tract of 15 lots if I had them."

The corner lots are 107 feet wide, the others 80 feet in width and all have a depth of 150 feet. Construction started Tuesday on the third house in the block and other houses will be under way before long, he said. Some of the purchasers obtained the sites for later improvements.

Mr. Bartlett resides at 1117 North Euclid avenue.

"I have held to fairly high restrictions and yet there was a demand for the property," the Upland resident, who is an attorney in Ontario continued. "It proves to me there is quite a demand for Euclid avenue frontage."

The restrictions place the minimum at 1400 square feet.

"As I observe the Euclid avenue frontage at present there isn't much left in the $2500 a lot bracket," he explained. "There is a big demand from people who want to pay that much."

Eight houses are now under construction on Euclid from Eleventh street north.

says, and she likes photographing her three daschunds.

"This one," she says, pointing to low, fat little Cimmy, "is a ham. Just let me point the camera in his direction and he poses.

Recently Mrs. Ring has added another activitiy to her already busy schedule. She is doing contact work for photographers for a Los Angeles daily newspaper. Her job is to arrange set-ups for the shots and get the subjects at the right place at the right time, she explains.

As to her future with her hobby, Mrs. Ring says she is working towards salon photography and hopes to expand her free-lance work. She is having a darkroom built in the garage of her home at 965 North Second avenue, and will do all her developing and re-touching there.

A member of the Euclid Avenue Camera club, Mrs. Ring often enters pictures in the group's exhibits.

Arrow Market To Have Open House Sale This Week End

John Bianchi, new owner of Arrow Market, 758 East Arrow highway, announces his formal opening for this week end.

"We're going to give away balloons, ice cream, toys, and prizes in honor of the occasion," said Mr. Bianchi.

"We've had a wonderful reception from Uplanders since we came here, and we want to show our appreciation in a tangible way," he added. The market changed hands August 27, when William Hemsley, owner for more than 10 years, sold out to Mr. Bianchi.

Bianchi, who owned a large market in Monrovia for two-and-a-half years before coming here, has been working in preparation for this event since taking charge of Arrow Market.

Presbyterians To Hear Pastor

The Rev. Trusten A. Hart, pastor, has announced "My Neighborhood" as his sermon topic for the 11 o'clock worship service Sunday morning at the First Presbyterian church. The choir will sing an anthem under the direction of R. L. Jones, and there will be a solo.

The third of the October Sunday family nights will be held from 5:30 to 8:15 o'clock, with Jack Hansen leading the discussion hour. The young people of the Senior Westminster group will have charge of the devotions.

At the mid-week service Wednesday at 7 p.m. Rev. Hart will continue his discussion on "How to Study the Bible".

Christian Science Sunday Sermon On "Atonement"

New light on the sometimes involved theological subject of atonement will be given at the 11 o'clock Sunday morning service at the Ontario Christian Science church in the reading of the lesson-sermon entitled "Doctrine of Atonement".

Paul's statement to the Corinthians constitutes the golden text: "The preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God."

Rev. Burkholder Heads Ministers

New officers were elected at the monthly meeting of the Upland Ministerial association Tuesday morning when the group gathered for breakfast at "The Kitchen".

The Rev. Alvin C. Burkholder, pastor of the Upland Brethren in Christ church, was chosen president to succeed the Rev. Robert P. Price, former pastor of the Upland Methodist church, and the Rev. Dale Reynolds, pastor of the Upland Foursquare church, succeeds Sherman Maust of the Seventh Street Mennonite church as secretary.

Plans were made for the annual union service on Thanksgiving day, which this year will be held in the Upland College chapel. The speaker will be the Rev. Trusten A . Hart, pastor of the First Presbyterian church.

Bethany Service To Feature Entertainer And Rev. Wiebe

Rally day will be observed at the Bethany Union church Sunday and a pre-rally day parade will be held in San Antonio Heights Saturday afternoon starting at 1:30 o'clock. A parade throughout the residential area will stress the Sunday services.

Featured at the Sunday morning service will be Reginald A. Ellis, ventriloquist. A combined Sunday school — church service will be held starting at 9:45 a.m. A fellowship dinner will be held at noon in the church basement.

Rev. Alfred Wiebe, former San Antonio Heights resident and missionary among the Indians in Oklahoma, will speak at the 7:30 p.m. service Sunday.

Foursquare Sunday School Working For Outing

Children and young people of the Sunday school of the Upland Foursquare church are looking forward to a week's stay at a summer camp at Camp Cedar Crest in the San Bernardino mountains. This is offered to all young people between the ages of nine and 18 for perfect attendance.

For the 11 o'clock worship service Sunday morning the pastor, the Rev. Dale Reynolds, will speak on "A Glorious Church Without Spot or Wrinkle".

The evening speaker will be the Rev. Elsie Bain, assistant pastor of the Pomona Foursquare church, who will bring an inspiring message. The public is invited.

City Council In Meeting Tonight

A wide variety of items are scheduled for consideration at the meeting of the Upland city council at 7:30 o'clock tonight.

Changes in land use in the agricultural districts will be considered. Contractor of the Shopping Bag market is seeking a slight change in the site plan and other items are scheduled.

Ernest Olson Observes 25 Years As Owner Of Meat Market Here

(Continued from Page 1)

Mr. Olson opened the meat department. Several years ago he moved to his present location.

"It's really been a thrill to serve Upland people throughout the years," Mr. Olson said. "We enjoy meeting—and pleasing people and we are very appreciative of the loyal following and interested patronage we have enjoyed throughout the years."

Mr. Olson has been active in civic affairs. He is a former city councilman, many times elected a director of the chamber of commerce, a past president and former secretary of the Upland Lions club and active in the Methodist church. He and Mrs. Olson reside at 690 North Second avenue.

The anniversary sale starts this morning and continues through Saturday. The store is located on East Ninth street at First avenue.

Earl Werner Leaves Upland Force To Be Fontana Officer

Officer Earl Werner of the Upland police force has resigned his position here to accept work with the new Fontana police department, it was announced this week by Police Chief Ralph Palmer.

Officer Werner will be working under Fontana Police Chief Henry A. Younge, who is organizing the department there. Chief Younge served here for 10 years.

A resident of 715 Vernon drive, Officer Werner is scheduled to take over his new duties next Monday.

Nazarenes To Let Sub Contract On Educational Unit

Contract will be let this week for construction of the fireplaces in the new building being erected by the Nazarene church on West Ninth street. The educational unit is being erected with volunteer labor, except for skilled work.

From 15 to 18 men work at night twice a week. Stucco will soon be applied. Rev. W. H. Thompson, who is directing the work, said the building may be occupied early in 1953.

Contest In Sunday School Of First Church Of Nazarene

A special six-week campaign for new members in the Sunday school of the First Church of the Nazarene was launched last Sunday and will continue through November 23. The entire school has been divided, the men and boys against the women and girls, and enthusiasm is on the increase. The contest is based on a round trip to Kansas City, Mo.

New members will be received into the church at the Sunday morning worship service. The pastor, the Rev. William E. Thompson, will bring the message.

He will speak also at the 7:30 o'clock evangelistic service. There will be special music at both services.

Three youth meetings are held at 6:30 Sunday evening.

John R. Schmutz, 1101½ North Hellman avenue, Alta Loma, has returned home from San Antonio hospital after minor surgery.

Warren Wilkens Buys General Insulating Co.

Warren Wilkins, a resident of Upland many years and a local contractor, has purchased the General Insulating Co.

The business was bought from Hugh Whaling who had established it several years ago. Familiar with the building trade and knowing the value of insulation, Mr. Wilkins purchased the business when it was available after Mr. Whaling became part-owner of the Upland Inn. Mr. Wilkin resides at 574 Sixth avenue.

Gene Allen Wins Bank of America Golf Tournament

Gene Allen, son of Mrs. Flora Allen, 460 North Third avenue, won the annual Bank of America state-wide golf tournament at Santa Maria Sunday, according to word received here. His team also won all the trophies offered by the bank.

He is employed by the bank in Los Angeles and is widely known as a golfer.

NOTICE INVITING BIDS
FOR THE CONSTRUCTION AND RECONSTRUCTION
OF SHAFTS AND TUNNELS
Notice is hereby given that the City Council of the City of Upland, California will receive sealed bids up to the hour of 7:30 p.m., November 6th, 1952, for the furnishing of all necessary labor, materials, tools, appliances, equipment, and transportation and the performance of all work necessary for the erection, construction and completion of a shaft 5'x5' sunk about 200 feet to bedrock; the reconstruction of two shafts and of a tunnel in the alluvial fill materials at the mouth of San Antonio Canyon, about 2000 ft. west of Mountain Avenue, about 5 miles above the City of Upland, in San Bernardino County.
Bids will be received for the work in accordance with plans and specifications prepared by the City. The plans and specifications may be obtained from R. G. Manley, City Manager, City Hall, or from A. L. Sonderegger, 1005 Pershing Square Building, Los Angeles 13, California. A deposit of Fifteen ($15) Dollars will be required for each set of plans and specifications.
Each bid shall be made on the forms furnished by the City and shall be in accordance with the plans, specifications and other contract documents and shall be accompanied by a certified or cashier's check, or bidder's bond, payable to said City in the sum of not less than 10% of the amount of the bid, as a guarantee that the bidder to whom the contract is awarded will enter into the contract for the work, the full amount of such guarantee to be forfeited should said bidder fail to enter into said contract.
Bidders must demonstrate that they are experienced in the construction of shafts and tunnels in alluvial materials.
No bidder may withdraw his bid for a period of thirty days after the time set for opening bids.
Notice is also hereby given that the minimum compensation and the rate of per hour wages to be paid for each craft or type of workman or mechanic needed to perform this work shall not be less than the general prevailing rate of per hour wages in the locality in which the work is to be performed and the City Council of the City of Upland has ascertained the general prevailing rates of per hour wages applicable to the work, to be as follows:

Evangelist Byers Continues Meetings At Brethren Church

Revival services will continue through Sunday at the Upland Brethren in Christ cuhrch, with Evangelist Charlie Byers speaking each evening at 7:30 o'clock and on Sunday morning at 10:45. There is special music at each service.

The meetings have been well attended, according to the pastor, the Rev. Alvin C Burkholder, who invites the public to hear Rev. Byers.

Methodist Services Are Announced

"The Books We Keep For God" is the sermon topic announced by Dr. Ralph W. Lee, pastor, for the 11 o'clock worship service Sunday morning at the Upland Methodist church. Music will include an anthem, "Grieve Not the Holy Spirit of God", by the Cathedral choir.

Dr. Lee will speak on "Keeping Christ at a Distance" at the 7 p.m. service. The Chapel choir will sing an anthem.

The Bible study hour will be held on Wednesday evening at 7 p.m.

Mrs. John Strohm Is Coming Home

Word has been received by Upland friends that Mrs. John Strohm, missionary to Liberia from the Upland Methodist church, will return to the United States next week. She has been in ill health for some time and requires the attention of medical specialists.

Mrs. Strohm is leaving Liberia on October 18 by plane for New York, where she will give a report of her work to the mission board before continuing her journey to California. She is expected to arrive in California about October 25, and will make her headquarters with her parents in Azusa.

Robert C. Owens Taken By Death

Robert C. Owens, 76, died early Monday morning at his home, 1502 Hellman avenue, Alta Loma, following a long illness.

A native of New York and an attorney at law by profession, Mr. Owens had resided in California for about 50 years. He moved to this community four months ago from San Francisco, where he had resided since 1906. Prior to that he had lived in Glendora.

Surviving are his wife, Eunice Reid Owens, and a sister, Mrs. Katherine Given of Hollywood.

Funeral services were held Wednesday afternoon at the Stone funeral home, with the Rev. Donald W. Head, pastor of Bethel Congregational church of Ontario, officiating. Interment was in the Oakdale cemetery in Covina.

Louisa Meza, 13-month-old daughter of Mr. and Mrs. Vidal Meza, 476 Twenty-fifth street, is at San Antonio hospital.

City Unable To Get State Funds For New Schools

Upland cannot share at present in any state educational funds for new buildings and additional classrooms here must be financed locally by a bond issue, Herbert J. Powell, architect, told members of the Upland board of education Monday night.

Proposition No. 24 on the November ballots establishes a fund of $185,000,000 for use by school districts. A loan from this state fund, if approved, had been expected to aid in the proposed 1953 local school building project.

Must Pay All

Upland, however, does not qualify for this money and if the current double-session problem is to be relieved by new classrooms local people will have to approve a bond issue, Mr. Powell emphasized at the board meeting. To qualify a district must have used its full bonding indebtedness and meet other requirements.

While no definite plans have been made for a bond issue, Harold W. Cook, Upland school superintendent, said that construction of several classrooms as an addition to the Sierra Vista school and also on the West Eleventh street site would temporarily relieve the current congestion.

Bond Issue Likely

Mr. Cook forecast that a bond issue might be called early in 1953 to provide classroom relief as soon as possible. He explained that additional rooms can be added at Sierra Vista. The school district has selected a new site on Eleventh street just west of San Antonio avenue. Classrooms there would also relieve congestion in the Elementary school.

Dr. John Skewis, a new member of the board, and Mrs. Raymond O. Kay were board members present. Allan S. Barr, president, is out of town.

Local Women Attend Convention Of Republican Women

Mrs. Lovon C. Phillips attended the annual convention of the California Council of Republican Women, Southern Division, held Wednesday at the Biltmore hotel in Los Angeles. She is secretary of the council.

She was accompanied by Mrs. Cletus Gallagher, Mrs. Tom Parker and Mrs. Frank Walker, who are voting members.

The morning session was devoted to business. Senator William Knowland was the luncheon speaker.

$240,000 Store Applies For Building Permit

Application for a permit for the new Shopping Bag market on Foothill boulevard brought Upland building permits to a total of $255,630 this week.

The Euclid Park Co., of Beverly Hills will build the new $240,000 market at 304 East Foothill boulevard. The building will be 220 feet by 140 feet and contractors are the Hann-St.John Co. of Hawthorne. H. W. Underhill a Los Angeles architect, has designed the establishment.

Second largest permit this week went to James S. Castle, 640 West I street, Ontario, who will build a $13,000 home at 1425 North Euclid avenue.

Charles V. Buckey was issued a permit to construct a fireplace in his home at 361 West Eighth street; Harvey Longanecker received a permit for roof repairs at 245 North Third avenue and W. A. Ladd was issued a permit for additions to his home at 709 West Ninth street.

Other permits went to James Goodban for alterations to a store at 244 North Second avenue; to A. B. Shearer for a garage at 351 South Second avenue; to John Crabtree for a shed at 572 West street and to O. R. Nichols for termite damage repairs to his home at 741 North Euclid avenue.

Blood Bank To Call Uplanders

"Your Blood Can Save Lives."

This is the slogan being emphasized by the Upland Red Cross as the time nears for a visit of the Blood bank. Uplanders will have a chance to donate blood for the use of the armed forces when the Blood bank is at the Upland Woman's club house on the afternoon of Oct. 31.

Miss Eunice Mitchell, executive director of the local Red Cross chapter, reports that several people have already made appointments to donate blood.

Appointments from 2 to 5 p.m. may be made by calling Miss Mitchell at 31-6173 or by calling at Red Cross headquarters at 433 North Second avenue.

Quota for the city is 50 pints according to John Baumgartner Red Cross chairman.

Coffee will be served by the Gray Ladies under the leadership of Mrs. Beecher Hungerford. The volunteer workers will also assist the Blood Bank workers with the donors.

Martin Davis Buys Alta Loma Grove

Martin Davis, former Uplander who resided here until world war No. 2, has returned to this area with his wife and three children, and has purchased a five acre citrus grove in Alta Loma.

He returned with his family from Germany Oct. 1. He had been assigned there with the American forces in the occupation service. His parents were Mr. and Mrs. A. M. Davis.

The veteran now resides at 368 West Baseline, Alta Loma.

Mrs. T. M. Nichols, 393 North First avenue, is enjoying a visit from her sister, Mrs. Charles J. Dreher of Oroville, who will be here for two weeks or more.

Block Wardens To Meet Monday

Block wardens, key men in the city's civilian defense program, are being called for an important meeting in the Upland city hall at 7:30 p.m. Monday.

In the interests of maintaining an active organization of wardens, Robert Theall, chief warden, plans to have the wardens meet from time to time. The city's future defense program will be discussed and arrangements will be outlined for occasional meetings of the civilian defense leaders.

Howard Paulin, assistant civilian defense director, will be among the speakers at the meeting. Mr. Theall will preside. It is Mr. Theall's plan to maintain an active group of block wardens so leadership throughout the community can be given in case of emergency.

The city has been divided into zones with a warden in charge of each zone.

Named as block wardens and expected to attend Monday's meeting are the following:

Ralph Colonna, William Dalton, Geo! W. Evans, James Fero, Philip Holden, Al Bescoby, Henry Snowden, Bert Reed, Keith Gingerich, Frank C. Buffington, G. E. Schmidt, Merrill Landis and Charles Jordan.

ROBERT THEALL
Head of the city's civilian defense system is Robert Theall, shown above. He will preside at Monday's meeting of the wardens. An active warden group is planned to aid here in case of emergency.

1000 Attend PTA Carnival

Sierra Vista Parent-Teacher association is being congratulated on the success of its school carnival held Saturday afternoon and evening in Upland Memorial park.

The event drew an attendance of more than 1000 persons, and brought returns of $764, according to an estimate by Mrs. D. L. Burgan, budget and finance chairman, who was in general charge.

Mrs. Earle T. Casler, president, has expressed her thanks for the assistance of the many members and all the teachers in carrying out the project so successfully. Fire Chief Howard C. Paulin served as master of ceremonies.

One of the busiest booths was presided over by Mr. and Mrs. Vaughn Dunlap, who sold more than 600 tacos before the carnival closed.

The funds raised by the undertaking will be used for the general expense of the P. T. A. and for welfare work among the children.

Gray's Memory Is Honored

Henry M. Busch and W. W. Mather, Upland attorneys, have joined in sponsoring a resolution which was adopted by the San Bernardino County Bar association in honoring the memory of the late Edward E. Gray. Mr. Busch is secretary of the association and Robert G. Beloud, Ontario, is president.

The resolution follows:

"Edward E. Gray was born in Missouri on August 28, 1871. He took his law training at the University of Wisconsin. As a young man he was an editor on the staff of the Kansas City Star. From there he went to Astoria, Oregon, where he served as City Editor on the morning Astorian. He was admitted to practice law in both Oregon and California.

"Mr. Gray built a fine practice in Astoria and was active in its civic affairs, being president of the Chamber of Commerce and also serving for two terms as mayor of the city. About twenty-five years ago he came to California and settled in Upland where he again built an excellent practice and served as city attorney for about seventeen years. He also served as secretary of the vestry of St. Mark's Episcopal church, Upland.

"Mr. Gray married a sister of the late Judge Edwin F. Hahn of the Los Angele Superior Court, his wife preceeded him in death by two years. He leaves two children, a son, Robert S. Gray of Upland, and a daughter, Barbara Gray, of Washington, D. C.

"Widely read in philosophy, Edward E. Gray was more than just an attorney who fought hard and well on behalf of his clients. He was the trusted mentor of leading citizens of Upland and of the elderly who came to him for legal aid. He was above all a professional man who looked upon the law as a highly honorable and learned profession and who carried into his practice the highest ideals of the legal profession. He was a man of unusual personal dignity and poise. While we miss his genial presence and deeply regret his passing, we commend his soul to the merciful goodness of Almighty God."

(Signed) "Henry M. Busch,
"W. W. Mather,

Signs Can Stay On Foothill

Business signs along Foothill boulevard, variance for a new Euclid avenue house and records of surveys were major items discussed at the meeting of the Upland planning commission Thursday night.

Final approval was given by the commissioners to the interim zoning ordinance. The measure now goes to the city council, which is scheduled to conduct a public hearing.

M. P. Hoover, who plans to erect a dwelling on the southeast corner of Euclid avenue and Foothill boulevard, was given permission for a 50-foot setback from the property line.

On motion of George Whitney, the commission recommended to the city council that existing signs on Foothill boulevard in the commercial zone be allowed to remain until the service road is open for traffic. Present in regard to these signs were Mrs. Mary Weitzel of the Yum Yum Frosty Freeze, Nich Evans of the Upland Serve Yourself Gas station and Myrtle Powers of the Powers Fur salon.

E. F. Eppler presented a record of survey for dividing a 10-acre tract on East Fourteenth street. Dan Maher approved the plan subject to installation of sidewalks on Fourteenth street.

Arizona Ash and Liquidamber trees were recommened for placing in Euclid park.

William Kistinger, chairman, presided at the meeting and others in attendance were Mr. Whitney, Dorothy Gardner, Dr. Henry G. Brubaker, Don Maher, Ralph Hunt, Elwin Alder, acting city manager, City Attorney Henry M. Busch and Lillian Schubert, secretary.

Plan to attend the Civic Concert series. Season ticket sales are now being conducted.

Here's the Man to Represent YOU in Washington

Earlier this year Superior Court Judge Carl B. Hilliard was persuaded by a county-wide group of community leaders to run for Congress to represent the new 27th District, which includes all of San Bernardino County. His consent, which involved great personal sacrifice, hinged on his deep concern with the taxation, waste and corruption of the Truman administration.

Judge Hilliard is eminently qualified to help "clean up the mess"... but equally important to every voter of this country, he is *the* man to protect our interests in a new administration. For Carl Hilliard's home and interests are *here*. He knows and shares our problems. Judge Hilliard is one of us... an honest, capable man with an outstanding record. He'll fight for the well-being and interests of all. That's why he was asked to run; that's why he deserves *your* vote.

Judge Hilliard Is Best Qualified To Serve District In Congress

Residents in this county are fortunate that Judge Carl B. Hilliard is a candidate for congress. He has qualifications that can make him one of the finest officials ever to represent the public.

Those who know him best are his most active volunteer campaign workers. People who are vitally interested in getting outstanding leaders in Washington are enthusiastically working for Judge Hilliard, candidate for congress.

Many Democrats as well as Republicans are uniting behind Judge Hilliard, who is opposing Congressman Harry R. Sheppard.

Mr. Sheppard has gained a reputation as a hard worker and naturally his 16 years in Washington have given him seniority. We will concede that Mr. Sheppard is a very hard worker for Mr. Sheppard. He "plays" well his "politics". His principal claim for reelection is the fact that he has been in Washington 16 years.

Judge Hilliard's background in service, his recognized ability, his educational background, his natural apitude in getting along with people and his qualities of leadership give him essential factors for a public official. He is extremely highly regarded as the presiding judge of San Bernardino county superior courts and by people in the legal profession for what he is, not because he has "played politics."

This district is entitled to a sincere public servant in Washington and not a man whose actions are selfishly concerned with what votes will be affected.

We sincerely recommend the election of Judge Hilliard.

Owners Of Business Buildings Should Keep Up With Residential Development

Owners of business buildings in Upland are aware of the changes occuring in the community, of the gradual and continual residential growth, of the impetus likely to follow completion of the Ramona freeway and of the frequent establishment of industries within a few miles of here.

Development in the business district has not kept pace with residential construction. Total of 934 houses have been erected in the city within 3½ years. Two hundred houses have been erected on San Antonio Heights Red Hill and other outlying districts within the Upland trading zone.

Many owners and tenants have expanded and modernized their buildings but the business district as a whole is far behind the standards of a modern day southland community. Some structures look the same today—inside and out—as they did 20 and 30 years ago.

Upland is an "ideal" residential community and its residents in general are loyal to their home town. Look at some of the business buildings.

Are they representative of an ideal community?

Should They Be Rewarded For What They Have Done To Youth's Future?

Many timely questions concerning the current political campaigns were asked recently by a letter-writer in The Los Angeles Times.

His letter was directed at youths with the question: "Did You Get a Square or Raw Deal from the New Deal?"

What money has been spent by the generation in charge of government today must be paid for by the generation of tomorrow.

Therefore, new voters—and old voters—should be interested in answers to these questions:

"Should youth reward or defeat New Dealers for these silly acts: Paying planters millions not to grow sugar; buying, then deliberately destryong potatoes; spending $100,000 to ascertain how many men wear pajamas; deliberately increasing government staffs (for votes) every election year, etc., ad infinitum?

"Is it any wonder the New Deal continually borrowed and increased youth's debt burden from $22,000,000,000 to $262,000,000,000 while falsely asserting 'It makes no difference how big our debt is'? Will it make no difference to youths being taxed $6,000,000,000 annually ($100 per worker) for life merely for interest on the debt?"

"Your Attitude is Showing", Lions Told . . .

"The one thing prospective employers speak about more than any other is a student's attitude," E. N. Chapman, Chaffey college teacher, said at the meeting of the Upland Lions club Thursday.

Many students in his classes attend school a half day and work a half day. He directs a cooperative program of finding jobs —and teaching students how to be effective for commercial firms.

"I get frequent reports," he continued, "about a student's attitude being good or bad, about how suggestions are received and about the outlook toward the public."

Characterizations, drawn on cardboards, were used to illustrate how a person's attitude is reflected in his face.

"Your attitude is showing," Mr. Chapman repeatedly emphasized in stressing the point that success or failure in meeting the public is determined largely by one's attitude. "Even in telephone conversations a person's attitude is very evident," he continued.

"The face and voice immediately reflect an attitude to the public and a pleasant, friendly attitude wins customers and people."

Mr. Chapman cited the case of an automobile dealer who in his bi-weekly pay check envelopes grades his employes on the basis of attitude and gives a $5 bonus to the person whose attitude is the best.

On each side of a small card for distribution Mr. Chapman has two characters. One is of a smiling, cheerful disposition and the other side pictures a grouch with the statement "Your Attitude is Showing."

When Mr. Chapman made his sales discussion at a meeting of department store employes and executives he distributed these cards freely for use from time to time. Later the assistant manager of the store received 17 cards indicating a sour face and "Your Attitude is Showing". This experience resulted in a drastic change in attitude.

Paul T. Benton was grogram chairman with first vice president Joe Seitz presiding in the absence of Judge Fred H. Jacobs, president.

Sierra Vista PTA Has Program Today

Cub Scouts are arranging a program for the meeting of the Sierra Vista Parent-Teacher association this afternoon at 2:45 o'clock in the multi-purpose room, and the Girl Scouts are presenting a surprise skit.

Mrs. Earle T. Casler, president, will preside, and there will be discussion for the observance of United Nations Week, October 20-25.

Hostesses for the social hour will be Mrs. H. Bruce Claflin and Mrs. Don Gannon, room mothers for the sixth grade. Small children wil be cared for in a nursery.

Letter to the Editor

Train Whistles

After more than eight months of tolerance, the tempers of several Upland residents are being shortened. The Reason? The long, loud blasts of the train whistle (P. E. and also the Santa Fe) as they proceed through the city, especially in the wee hours of the morning.

On several occasions, the writer has been literally blasted out of bed around two a.m. by the ear splitting, drawn out blasts of the whistle plus the full charge of power the engineer uses after coasting up to the Euclid avenue crossing. The law requires a whistle warning for such crossings—but does not demand the excessive abuse such as is done by the crews of the trains mentioned.

I work between the Union Pacific and the Southern Pacific tracks and adjacent to Euclid avenue in Ontario. I'm sure both obey the law on crossing warning. But even in the day time, when traffic is heaviest, there are no such blasts as the whistle happy crews use at night through Upland. This unnecessary noise has become a nuisance and should be abated!

The residents affected by this nuisance feel, and request, some action should be taken by the city officials to insure a sensible application of the law regarding crossing warning whistles by train crews going through our city.

A copy of this letter is being mailed to the city council and to the authorities of both railroads. It is hoped further complaints of this nature will not be necessary.

Sincerely yours,
Kenneth O. Duffy
170 South Palm Avenue

To The Tditor

P. E. Tracks

As an individual I am very glad you are keeping up with the Pacific Electric situation.

By this I mean the recent reference to a meeting a year ago of local residents at which time T. L. Wagenbach, manager of the P. E., promised to do certain things.

About the only promise fulfilled was a speed test. This actually didn't mean anything, just a little gesture of goodwill.

With this gesture we presumed other promises would soon be observed. A year has passed and nothing has happened. Mr. Wagenbach has virtually ignored the community.

While it may not be possible for the city to legally do anything to get these promises carried out, it would seem the P. E. management would be more concerned about the community's good will. To make promises—and then ignore them is a bad policy for anyone, especially a public railroad.

We would like to have the tracks removed from Euclid avenue as promised by Mr. Wagenbach.

Roscoe Dinger.

Bible Production Includes Special Paper and Type

Of interest to many local people will be a summary of what it took to produce the revised standard version of the Bible. One million copies were in the first order with four printing firms sharing in the contract. Total value of this order is $6,000,000.

The 1,000 tons of paper were made to order. The type face was chosen after consultation with 300 typographers, publishers and churchmen. The promotion campaign, based on the theory that people ought to be told about the Bible as well as about the products of industry, is being directed by a top advertising agency at a cost of $500,000.

Into the production of the million copies have gone 10 tons of type metal, 2,000 gallons of ink, 71 miles of 40-inch cloth and enough 23-karat gold leaf for stamping the name, to pave a road 24 feet wide and a mile long.

The finished books, stacked in a pile, would reach higher than 100 Empire state buildings.

No. 10 Defeat Is Advocated

Growing alarm of public and semi-public organizations over Proposition 10, sponsored by pension promoter George McLain on Nov. 4 ballot has been reflected in statements issued by the California Association of Port Authorities, the Irrigation Districts Association of California, the County Supervisors Association of California and the League of California Cities.

All organizations urged a vote of "no" on the measure which would prohibit the expenditure of public funds to any organization which attempts to make its voice heard before city, county, state or federal legislative bodies.

"Proposition 10 is purely a revenge measure proposed by McLain to 'get even' with some of the public organizations which have exposed his schemes and defeated his self-serving proposals in the past," the statement said.

Linda Gillespie, 10-year-old daughter of Mr. and Mrs. Wayne E. Gillespie, 113 North First avenue, is home from San Antonio hospital after a tonsillectomy.

Mrs. Jubentino Pereyra, 1571 Chaffey street, has been dismissed from San Antonio hospital after major surgery.

Rent Decreases As Family Increases

Los Olivos Fees Vary As Income And Family Needs Considered

In most cases the man who earns $200 a month must pay the same rent as the man who makes $300, but at Upland's housing center for the low-income families, the amount of rent charged depends on the tenant's salary and the number of his dependents.

Los Olivos, located on Campus avenue north of Foothill boulevard, provides this type of low-cost housing for 100 Upland families. Operated by the Housing Authority of the City of Upland, the center has provided a number of families with adequate dwellings and eliminated many sub-standard housing conditions.

Rent Factors

Recognizing that a man's income and his number of children determine how much rent he can afford to pay, the Housing Authority has arranged prices accordingy.

The following rates illustrate: Families with one or two children pay one-fifth of their incomes in rent, but families with three or more children pay only one-sixth.

Thus, a man with two children who has a monthly salary of $200 pays $40 rent. A man with the same salary but three children pays only $33 rent. Rental prices include utilities.

Tenants Screened

Since the city can provide housing for low-income families only, the Housing Authority checks carefully to make sure that families have a definite need for low-cost housing before admitting them.

The following rules set up by the authority show how eligibility for occupancy of a Los Olivos house is judged: To qualify for Los Olivos housing, families with two children cannot have an income of more than $2800 a year; families with three children, $3100 a year; families with five children, $3300 a year.

Of those who apply for Los Olivos housing, veterans are given preference. Non-veteran families must come from sub-standard homes to be eligible for occupancy. Generally families without children are not admitted.

Built in 1943, Los Olivos has 100 furnished apartments. Most are duplexes. There are 62 one-bedroom, 26 three-bedroom, 8 one-bedroom and 4 one-bedroom units. Facilities include gas refrigerators, ranges and water heaters.

In its nine years of existence, Los Olivos has had countless changes in occupancy. According to Otto S. Roen, executive director of the housing authority, there was one year just after World War II when "half the graduating class of Claremont college" lived in the center. During the war when housing was critically scarce, Los Olivos was used to serve those who needed the facilities most.

Los Olivos has also been responsible for the removal of many sub-standard dwellings in Upland. The city has eliminated more than 100 of the sub-standard homes which families vacated when they moved to Los Olivos.

There's more to
Going Pullman
than a good night's sleep!

Ever stop to think why train travel—and especially S. P. Pullman travel—is such a restful, relaxing and satisfying way of going places? Actually there are lots of reasons—some big, some small. Mostly it's because everything is done so smoothly and unobstrusively for your comfort and pleasure.

What other mode of travel gives you all this? Full-length beds with full-size sheets and blankets; a private room of your own, if you wish, with its own private lavatory facilities; air-cooling and air-conditioning; a friendly porter to give you prompt and attentive service day or night; complimentary shoe shines; ice water at your finger tips; delicious Dining Car meals, courteously served; a Lounge Car for refreshing beverages, magazines, newspapers and congenial traveling companions.

For overnight or longer trips—whether along the Coast or to the East—Southern Pacific streamliners provide the very finest of modern Pullman accommodations. Try them for *your* next trip. They are the last word in luxury travel.

THERE'S MORE TO S. P., TOO! S. P. is a road to remember for your freight shipments. We have more miles of lines serving more Western cities and towns than any other railroad. For fast, efficient, dependable freight service—whether carload or l.c.l.—call our nearest agent.

"Whatever You Do - Vote YES on 2"

OUR SCHOOLS ARE IN TROUBLE! Because of the inflation, soaring birth rate, and huge out-of-State population increase since the end of the War, most school districts in California today just don't have enough money to make ends meet!

PROPOSITION 2 IS THE ANSWER. Proposition 2 gives school children and taxpayers *both* a break by increasing the State's share of school support—thus keeping our schools open without increasing the tax burden on homeowners.

WE ALL WANT BETTER SCHOOLS. We may differ deeply on election day over candidates and other ballot issues, but we all agree our children's educational needs must be met. That's why Democrats and Republicans, labor, business and farmers, *all* say: *Whatever you do—*

Vote "YES" on Proposition 2

Oranges Steady, Lemons Down

Sustaining the trend of the past ew weeks, the Southern Calif- rnia valencia orange market con- inued steady during the week ending Oct. 11. Volume of sales was in line with that of last week and the f. o. b. average was slight- ly higher.

Many shippers are completing their operations for the current season and shipments of south- ern valencias will decline from now on.

Lemon demand continued slow during the week due principally to heavy accumulation of track supplies in the auction markets. Sales were slightly less than those of last week and average prices declined 35 cents a box f. o. b.

Youths' Arrest Clears Up Cases

Several burglary cases at Up- land police headquarters were cleared up Thursday night when officers rounded up seven juven- iles who confessed to breaking into the American Legion clubhouse and the Sycamore Inn on numerous occasions.

Four of the younthful gang, ranging in age from 14 to 16 years, were apprehended shortly after 10 p.m. Thursday night when they returned to break into the Legion clubhouse for a second time dur- ing the evening.

Officers John Smith and Earl Werner were making their rounds when they discovered the door of the building was open and spotted one of the youths hiding in the nearby woods. The boy fled, but was captured by other officers in patrol car.

The youth implicated his com- panions from Chino, Ontario and Upland. The gang had stolen several cases of beer from the clubhouse in an earlier raid on the place they said and then four had returned for a second help- ing.

Officers from Chino assisted in rounding up all the youthful of- fenders. Five of the youths are now lodging in juvenile hall in San Bernardino and the two youngest have been released to their parents.

Floridan Asks City To Verify Data In Booster Book

"Where to Retire on a Small Income?" is the title of a book in the Upland public library—and it is also read in St. Petersburg, Florida.

The book features Upland, among other cities and Ray B. Cure of St. Petersburg has asked the Upland chamber of commerce to substantiate the information in the book.

This is what the book says about Upland;

"Upland, Calif., with a population of 9,500 is about 40 miles east of downtown Los Angeles and about an hour's drive to ovean beaches, mountains and desert. Upland lies among citrus orchards at an elevation of about 1,500 feet and has a mean temperature of 62 degrees, ranging from 75 in August to 51 in January.

"No smog bothers this inviting town, which enjoys cool nights the year around. All kinds of recreational activities can be followed here throughout the year. Upland has an attractive and well stocked small library too. A number of people have retired here as a result of the warm and equable climate and the friendly attitude of the people."

Mr. Cure also asked about local taxes, utility rates, schools and living costs.

Tigerts Home From Vacation

Mr. and Mrs. Clyde R. Tigert, 2419 Vista drive, San Antonio Heights, returned Saturday after a 10-day outing in the mountains near Chester, in the northern part of the state, where they have vacationed many times.

They were especially shocked to learn of the terrible tragedy near Chester, as they were acquainted with the Gard Young family, and Mr. Young was one of the last persons they had spoken to before leaving Chester.

16 Acres On S.A. Heights Bought

Sixteen acres of San Antonio heights property have been purchased by C. W. Nebel from Mrs. Cleo McIntyre and Mr. and Mrs. Nebel have occupied the residence. The citrus grove and undeveloped land is located on the north side of Twenty-fifth street west of Vista drive.

Mr. Nebel is the Nash dealer in Ontario and he and his wife chose the San Antonio heights location for their home site. They came here from Texas.

Two New Policemen Assume Duties As Vacancies Filled

Upland's two new police officers are now on the job, Police Chief Ralph Palmer announced this week.

Starting as patrolmen, the two are Thomas C. Davis of 255 South Second avenue and John H. Smith, 155 West Twenty-fourth street.

Officer Davis, an ex-ranger, has recently worked in Dana Point. He is a veteran of the Korean conflict.

Officer Smith has been a member of police reserve groups in this area for several years, and has attended a number of special police schools.

Both the officers are native Californians, and both are married.

Citrus Outlook For Year Bright

The door is open for possible record sales of California citrus during the coming year, according to James Mills, Jr., general manager of the James Mills Orchard Co., Hamilton City, and a member of the board of directors of Sunkist Growers.

Just back from a trip which took him through most of the European countries, Mills reported that a great consumer demand exists in all the markets he visited. Especially was this true in those countries which have historically been heavy consumers of California fresh and semi-perishable tree and vine products.

Spanish Ballet To Open Concert Series

Ana Maria's Spanish Ballet is shown above as it will appear in the first concert of the Civic Concert series Nov. 6. Carlos Montoya will be the featured soloist. He is a nationally known guitar player.

Concert Series Tickets On Sale

With the artists regarded as the finest group ever scheduled here, many presons are awaiting start of the Civic Concert association programs in the Chaffey auditorium Nov. 6.

Ticket sales are being pushed although the response is reported to be better than in previous seasons. Reservations for the first program and for season tickets may be made at the Chaffey auditorium box office.

Ana Maria's Spanish ballet is the first number on the four-event series. Its appearance Nov. 6 will provide the throng with an evening of dancing and guitar music by Carlos Montaya.

Lotte Lehman, considered one of the greatest singers of the times, will appear Dec. 2.

Third attraction will be Robert Merrill, bairtone of the Metropolitan opera. In addition to his operatic fame he is well-known for television, radio and motion picture work. He will appear Feb. 5, 1953.

Closing the season March 5, 1953, will be the First Operatic Symphonette with Vladimir Bakaleinkoff conducting.

Four Finish Course On Explosives, Ready If Missile Falls

Four Uplanders have received their credentials as Explosive Ordnance Reconnaissance officers, it was announced this week by Col. Carroll D. Hudson of the Ordnance corps.

Police Chief Ralph Palmer, Fire Chief Howard C. Paulin, Ira Francisco and Emilio Valdez were awarded their credentials after they completed a short course in San Bernardino.

The men are now qualified to act in case an unexploded missle were to fall here. They are responsible for investigating such objects, making reports, and outlining all necessary precautions.

Orchestra In Free Concert

With the largest group in many years, the Chaffey Symphony orchestra will present its annual fall free concert Oct. 26 at 3 p.m.

The Sunday concert, under direction of Jack Feeney, will be given in the Chaffey auditorium.

This early concert will feature a local artist, Tony Nicola, who has received national recognition as a tenor. He will sing two operatic arias and a concert song with the orchestra.

In addition to accompanying the tenor soloist, the Chaffey Symphony of 65 members will offer an interesting program of orchestral music ranging from the early 18th century English of Purcell to the 20th century American music of George Gershwin.

Orchestral music will include the gay and sprightly overture to "The Impresario" by Mozart; "Trumpet Tune and Air" by Purcell for string orchestra and solo trumpet; "Espana Rhapsody" by Chabrier, which brings together folk songs of Spain in a brilliant and rhythmic concert piece. The closing number will be the very popular "American in Paris" by Gershwin.

The orchestra has the largest string section in 10 years. Many veterans of several years' experience with the group will be featured. John Baldwin, concertmaster, Marian Green, 1st violin, Peggy Detter, French horn, and Bruce Mount, trombone, are playing their sixth year with Chaffey instrumental groups. Marietta Allison, 1st cellist and David Elliott, 1st violin, are in their fifth year with the orchestra. A majority of the orchestra members have spent at least three years in the organization.

Chaffey News

First Chaffey high all-school social event of the year is the "Pigskin Prance", at 8 p.m. in the Student union, Oct. 18. Planned by the senior class to follow the theme most popular this time of year, the dance will be informal—sport togs will be in order.

Decoration of the Student union will be under the supervision of Rosemary d'Amato and Connie MacDougall; programs—Betty Morgan, chairman; invitations and bids—Barbara Smith, Margie Nichols, and Margie Swetonic; refreshments—Betty Bowser and Betty Alexander; clean-up crew—Don Vick, Sam Crowe, Ted Herman, and Ken Mueller; posters and publicity—Tom Maxwell, Ray Crum, Emalou Nelson, Earlene Parker, Edith Jeran, and Elaine Grace.

Men Work 200 Feet Underground In Changing City's Water Supply

San Antonio dam construction is posing a big problem for the city engineering department.

The installation of the huge project on Twenty-sixth street necessitates the movement of some of the city's water supply facilities. So today Elwin Alder and Homer Grear, street department foremen, are busy working in two tunnels which extend 500 feet into the mouth of the canyon about 200 feet below the surface of the earth.

The tunnels are slanted and water which seeps into them flows to the bottom of a shaft. It is pumped from here to become a part of the city's supply.

Move 500 Feet

Construction of the dam requires moving the shaft 500 feet north to the opposite end of one of the tunnels, and reslanting the tunnel so the water will flow in the opposite direction.

In order to know where to sink the new shaft, Mr. Alder and Mr. Greear are measuring and getting the alignments of the tunnels.

Beginning Tuesday morning, the men installed a power winch, a pulley system by which they are lowered 200 feet down the four-by-six foot shaft.

Use Buzzers

They have built a platform at the bottom of the shaft, and installed electric current to provide light. To keep the shaft dry, the pump must be kept running, and due to the noise the two men cannot shout to the workers above. For communication purposes, they have installed a buzzer system.

Other workers, assisted in the preliminary work, but because the tunnels are only three feet wide and six feet high, it is impractical for more than two men to work in them at the same time.

"The whole thing is really a mining operation," says Mr. Alder, assistant city engineer and acting city manager.

The work is scheduled for completion today.

Homer Greear Named Street Foreman; Another Man Added

Homer Greear, who has served with the city street department for eight years, has taken over his new duties as street foreman. He was appointed recently by City Manager Richard G. Manley.

Mr. Greear is a 30-year resident of Upland, and lives at 567 North Campus avenue.

A newcomer to the city staff is Rex Clark, who began his work this month as a mechanic's helper. A licensed marine engineer, Mr. Clark has served with the Merchant Marines in Washington for some years.

He works in the city shop and handles maintenance of city equipment. His home is at 764 East D street in Ontario.

Drafting Class Open

Registration is still open in the Chaffey Adult Education class in electronics drafting offered Tuesday evenings in room 59 from 7 to 10 p.m. in the college building at Fifth and Euclid avenue. This is given separately or in conjunction with the class in Basic Electronics Theory which meets Monday and Wednesday evenings from 7:30 - 10 p.m. in room 22.
